---

SUMMARY

Passionate MERN Stack Developer with experience in building full-stack applications using MongoDB, Express.js, React.js, and Node.js. Skilled in REST APIs, authentication, CRUD operations, and responsive UI design with Tailwind CSS and Bootstrap. Strong problem-solving ability and experience integrating third-party APIs including TMDB and OpenWeatherMap.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Tailwind CSS, Bootstrap, jQuery
Backend: Node.js, Express.js, EJS
Database: MongoDB, Mongoose
API & Tools: REST API, JSON, Axios, Multer, Postman
Security & Auth: JWT, Token Authentication
Deployment: Vercel, Render, Netlify
Other: Git, GitHub, Responsive Design

PROJECTS

Chat Application | Node.js, Express.js, Socket.io
https://github.com/hitisha-goyani/chatapp | chatapp-7-gwdj.onrender.com
• Built a real-time chat app with unique username validation and room-based messaging.
• Added join/leave notifications, timestamps (Moment.js), and live location sharing.
• Used Mustache for UI templates and QS for smooth room/user handling.
MERN To-Do App | MongoDB, Express.js, React.js, Node.js, Tailwind CSS
https://github.com/hitisha-goyani/to-do-web-mern
• Built a full-stack To-Do application with add, edit, and delete task functionality.
• Used React for UI and Node.js/Express.js APIs for managing tasks in MongoDB.
• Implemented real-time updates and a clean, responsive interface.
Leave Management System | Node.js, Express.js, MongoDB
https://github.com/hitisha-goyani/Leave-Management-System
• Developed a leave system with secure user authentication.
• Implemented leave apply, status tracking & admin approval workflow.
• Built REST APIs for structured leave and user data handling.
Movie App | React.js, Tailwind CSS, TMDB API
https://github.com/hitisha-goyani/Movie_TMDB | movie-tmdb-seven.vercel.app
• Displayed trending movies & shows using TMDB API.
• Built movie detail pages with ratings & descriptions.
• Designed a fully responsive UI using Tailwind CSS.

EDUCATION

Bachelor of Computer Application (BCA), Maharaja Krishnakumarsinhji Bhavnagar University — 2021–2024 | Percentage:80.31%

COURSE

MERN Stack Developer, Red & White Multimedia Education (Bhavnagar) — July 2024 to Nov 2025

LANGUAGES

Gujarati | Hindi | English

HOBBIES

Travelling | Listening to music | Cooking
